

# **RED GIANT 900**

## **Concentrated Heavy-Duty Cleaner**

### **NPM CODE 12-263-1038**

---

**DESCRIPTION**      **RED GIANT 900** is a heavy duty, non-butyl degreasant/detergent concentrate.

It dissolves oils and greases, lifting and emulsifying them for easy soil removal. Select the appropriate dilution to control the cleaning performance you want.

Recommended Dilution Ratios with Water:

- Floor Scrubbers: 20:1 to 40:1 depending on soil
- Pressure Washer/Steam Jenney: 40:1
- Mop and Bucket: 20:1

**APPLICATIONS**

- Industrial Equipment  
(Lathes, printing presses, machinery, etc.)
- Floor scrubbers, pressure washers and mop & bucket
- Wherever heavy duty degreasant/detergent action is required!

**BENEFITS**

- Non-toxic
- No fumes or skin burns
- Biodegradable
