

Extreme Giant

Concentrated Extreme Heavy-Duty Floor and Maintenance Cleaner

DESCRIPTION:

Extreme Giant is an extreme heavy duty degreasant/detergent concentrate.

Extreme Giant dissolves oils and greases, lifting and emulsifying them for easy soil removal. Select the appropriate dilution ratio to control the cleaning performance you want.

Recommended Dilution Ratio with Water:

- Floor Scrubbers: 20:1 to 40:1 depending on soils
- Pressure Washer/Steam Jenney: 40:1
- Mop and Bucket: 20:1

APPLICATIONS:

- Floor scrubbers
- Mop and Bucket
- General maintenance cleaner for industrial equipment
- Pressure washers and steam jenney
